As per said orders Bidders/Contractors are divided into three categories based on Local Content. If a Bidder is claiming exemption (as obtained from relevant authorities) from meeting the stipulated local content on account of manufacturing the product in India under a license from a foreign manufacturer with the precise phasing of increase in local content, he must provide proof thereof.

#### **1.12.2 Purchase preference as per Make in India will be exercised as follows :**

##### **(a) *If the Goods are Not Divisible in nature:***

Among all qualified bids, the lowest bid shall be termed as L-1. If L-1 is 'Class-I Local Supplier' (Under MII clause at 1.12.1), the contract shall be awarded to L-1.

If L-1 is not 'Class-I Local Supplier', the lowest bidder among the 'Class-I Local Supplier' shall be invited to match the L-1 price subject to Class-I Local Supplier's quoted price falling within the margin of purchase preference, and the contract shall be awarded to such 'Class-I Local Supplier' subject to matching the L-1 price.

If such lowest eligible 'Class-I local Supplier' fails to match the L-1 price, the 'Class-I local Supplier' with the next higher and so on, bid within the margin of purchase preference shall be invited to match the L-1 price, and the contract shall be awarded accordingly. If none of the 'Class-I local Supplier' within the margin of purchase preference matches the L-1 price, the contract shall be awarded to the L-1 bidder.

##### **(b) *If the Goods are Divisible in nature:***

Among all qualified bids, the lowest bid shall be termed as L-1. If L-1 is 'Class-I local Supplier', the contract for full quantity shall be awarded to L-1.

If the L-1 bid is not a 'Class-I local Supplier', 50% of the order quantity shall be awarded to L-1. After that, the lowest bidder among the 'Class-I local Supplier' whose quoted price falls within the margin of purchase preference shall be invited to match the L-1 price for the remaining 50% quantity, and a contract for that quantity shall be awarded to him, subject to matching the L-1 price. In case such lowest eligible 'Class-I local Supplier' fails to match the L-1 price or accepts less than the offered quantity, the next higher 'Class-I local Supplier' within the margin of purchase preference shall be invited to match the L-1 price for the remaining quantity and so on, and the contract shall be awarded accordingly. If some quantity is still left uncovered on Class-I local Suppliers, such balance quantity shall also be ordered on the L-1 bidder.

**( c) *Where contract is to be awarded to multiple bidders:***

In Bids where contracts are to be awarded to multiple bidders subject to matching of L-1 rates or otherwise, the ‘Class-I Local Supplier’ shall get purchase preference over ‘Class-II Local Supplier’ as well as ‘Non-Local Supplier’, as per following procedure:

If there is sufficient local capacity and competition for the item to be procured, as notified by the nodal Ministry, only Class I Local Suppliers shall be eligible to bid. As such, the multiple Contractors, who would be awarded the contract, should be all and only ‘Class I Local Suppliers’.

In Bids, other than the sufficient local capacity and competition for the item to be procured, ‘Class II local Suppliers’ or both ‘Class II local Suppliers’ and ‘Nonlocal Suppliers’ may also participate in the tender process along with ‘Class I Local Suppliers’.

If ‘Class I Local Suppliers’ qualify for the contract award for at least 50% of the tendered quantity in tender, the contract shall be awarded to all the qualified bidders as per award criteria stipulated in the Tender Documents. However, in case ‘Class I Local Suppliers’ do not qualify for the award of contract for at least 50% of the tendered quantity as per award criteria, purchase preference should be given to the ‘Class I local Supplier’ over ‘Class II Local Suppliers’/ ‘Non-local Suppliers’ provided that their quoted rate falls within the margin of purchase preference of the highest bid considered for award of contract. To ensure that the ‘Class I Local Suppliers’ taken in totality are considered for award of contract for at least 50% of the tendered quantity.

First purchase preference has to be given to the lowest among such eligible ‘Class-I local Suppliers’, subject to its meeting the prescribed criteria for the award of contract as also the constraint of the maximum quantity that can be sourced from any single Contractor. If the lowest among such ‘Class-I local Suppliers’ does not qualify for purchase preference because of aforesaid constraints or does not accept the offered quantity, an opportunity shall be given to next higher among such ‘Class-I local Supplier’, and so on.

To avoid any ambiguity during bid evaluation process, the procuring entity may stipulate its own tender specific criteria for award of contract amongst different bidders including the procedure for purchase preference to ‘Class-I Local supplier’ within the broad policy guidelines.
